UNIVERSITY LEARNING RESOURCE NETWORK

Library Services & Digital Database Access Guide

1. Membership & Borrowing Allowances

All registered undergraduate and postgraduate students are automatically granted library borrowing privileges upon presentation of a valid digital Student ID card.

- **Undergraduate Students:** Maximum 5 physical books for a period of 14 days. Renewal allowed twice online.
- **Postgraduate Students / Researchers:** Maximum 10 physical books for a period of 30 days. Unlimited online renewals unless requested by another patron.
- **Overdue Fines:** LKR 50.00 / $0.50 per book per day beyond the due date. Borrowing privileges are suspended if fines exceed LKR 1,000.

2. Digital Repository & Online Journal Subscriptions

The University provides off-campus access to major academic databases via EZProxy authentication using student credentials:

IEEE Xplore Digital Library

Full-text access to IEEE transactions, journals, conference proceedings, and standards in electrical engineering and computer science.

ACM Digital Library

Complete archive of ACM publications including computing surveys, ACM transactions on AI, and software engineering papers.

SpringerLink & ScienceDirect

Access to over 10,000 peer-reviewed journals covering artificial intelligence, mathematics, and data analytics.

O'Reilly Learning Platform

Interactive ebooks, live training courses, and practical tech manuals for Python, Cloud Computing, and DevOps.

3. Quiet Study & Research Room Reservations

Discussion rooms for group projects can be booked via the online Library Portal up to 3 days in advance for maximum slots of 2 hours per group daily.
